FEXAS PARKS & WILDLIFE **Galveston Island State Park**

Many ways to play by the bay.

There's always something to do at Galveston Island State Park. Hike, bike or paddle your way along the trails. Bring your tackle for bayside fishing. And don't forget your binoculars for the great wildlife viewing the park offers throughout the year.

STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

DRINK PLENTY OF WATER. Your body guickly loses fluids when you're on the trail. Bring a quart of water per hour of activity.

TELL OTHERS WHERE YOU'LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

WEAR A HELMET. When mountain biking, check with park HQ to match the trail to your skill level. Wear a helmet to protect yourself in case of a crash.

WEAR A LIFE JACKET. The law requires that all children under age 13 wear one with adult supervision while boating.

OBSERVE AND OBEY BEACH WARNING FLAGS. Conditions often change. Be water safe!

TRAIL ETIQUETTE

Trash your trash. Keep the park natural. Pack out all of your trash and Leave No Trace.

Leave feeding to nature. Feeding wild animals will make them sick and more likely to cause harm to people.

Don't Pocket The Past. Help preserve Texas heritage. Leave artifacts where you find them and report their location to a ranger.

Keep pets on leashes to keep them safe, while protecting wildlife.

Campfires are permitted only in designated rings due to potential for ground scarring and wildfires.

Use only your muscles. To protect park resources, no motor vehicles are allowed on the trails or beach.

FOR EMERGENCIES, PLEASE CALL 9-1-1.
